The State of Indiana and the Commonwealth of Kentucky agree to create, develop and operate an interstate park to be known as Falls of the Ohio Interstate Park, which shall be located along the Ohio River at the Falls of the Ohio and on adjacent areas in Clark and Floyd Counties, Indiana, and Jefferson County, Kentucky. Said park shall be of such area and of such character as may be determined by the commission created by this compact.

ARTICLE II.

There is hereby created The Falls of the Ohio Interstate Park Commission, which shall be a body corporate with the powers and duties set forth herein and such additional powers as may be conferred upon it by subsequent action of the appropriate authorities of Indiana and Kentucky. The commission shall consist of three commissioners from each of the two states, each of whom shall be a citizen of the state he shall represent. The term of one of the first commissioners appointed shall be for two years, the term of another for three years, and the term of the third for four years. Their successors shall be appointed for terms of four years each. Each commissioner shall hold office until his successor is appointed and qualified. An officer or employee of the state, a political subdivision or the United States government may be appointed a commissioner under this compact.

ARTICLE III.

The commission created herein shall be a joint corporate instrumentality of both the State of Indiana and the Commonwealth of Kentucky for the purpose of effecting the objects of this compact, and shall be deemed to be performing governmental functions of the two states in the performance of its duties hereunder. The commission shall have

power to sue and be sued, to contract and be contracted with, to use a common seal and to make and adopt suitable bylaws, rules and regulations. The commission shall have the authority to acquire by gift, purchase or otherwise real estate and other property, and to dispose of such real estate and other property. Each state agrees that it will exercise the right of eminent domain to acquire property located within each state required by the commission to effectuate the purposes of this compact.

ARTICLE IV.

The commission shall select from among its members a chairman and a vice chairman, and may select from among its members a secretary and treasurer or may designate other persons to fill these positions. It may appoint, and at its pleasure remove or discharge, such officers and legal, clerical, expert and other assistants and employees as may be required to carry the provisions of this compact into effect, and shall fix and determine their duties, qualifications and compensation. It may establish and maintain one or more offices for the transaction of its business, and may meet at any time or place. A majority of the commissioners present shall constitute a quorum for the transaction of business. The commissioners shall serve without compensation, but shall be paid their expenses incurred in and incident to the performance of their duties. They shall take the oath of office required of officers of their respective states.

ARTICLE V.

Each state agrees that the officers and departments of each will be authorized to do all things falling within their respective jurisdictions necessary or incidental to the carrying out of the compact in every particular. The commission shall be entitled to the services of any state officer or agency in the same manner as any other department or agency of this state. The commission shall keep accurate records, showing in full its receipts and disbursements, and said records shall be open at any reasonable time to the inspection of such representative of the two states as may be duly constituted for that purpose. The commission shall submit annually and at other times as required such

reports as may be required by the laws of each state or by the Governor thereof.

The commission may charge for admission to said park, or make other charges deemed appropriate by it and shall have the use of funds so received for park purposes. The commission is authorized to issue revenue bonds, which shall not be obligations of either state, pursuant to procedures which shall be in substantial compliance with the provisions of laws of either or both states governing the issuance of revenue bonds by governmental agencies.

ARTICLE VII.

All money, securities and other property, real and personal, received by way of gift or otherwise or revenue received from its operations may be retained by the commission and used for the development, maintenance and operation of the park or for other park purposes.

The commission shall not pledge the credit of either state except by and with the authority of the General Assembly thereof.

ARTICLE VIII.

This compact may be amended from time to time by the concurrent action of the two states parties hereto.
